Find out which tests are covered and how to get them at little or no cost to you.

You have three options for coverage of OTC at-home COVID-19 test kits:

1. **Pay $0 at a preferred network pharmacy:** Visit a **Walmart, Sam's Club** or **Rite Aid** pharmacy and simply go to the pharmacy counter, present your member ID card, and ask to have your OTC at-home COVID-19 test kits submitted to your plan for coverage.

2. **Purchase a kit and then submit an electronic form for reimbursement:** You can also purchase an OTC at-home COVID-19 test kit at other stores or online retailers. Keep your purchase receipt(s) to submit for reimbursement. To receive the quickest possible reimbursement of up to $12 per test, submit an electronic claim form by visiting **optumrx.com/testinfo**.

3. **Purchase a kit and then print and mail in a paper reimbursement form:** If you prefer to submit your claim by mail, you can print a form at **optumrx.com/testinfo** and then mail it in. Reimbursement applies up to $12 per test. Please note: you will receive reimbursement more quickly if you submit an electronic claim.

Which COVID-19 tests are covered?
Coverage includes OTC at-home COVID-19 test kits authorized by the Food and Drug Administration (FDA). The most common tests are BinaxNOW™, Flowflex™, InteliSwab™, On/Go™ and QuickVue®.

Is there a limit to how many tests will be covered?
Yes. Covered members can get up to 8 individual tests per month, e.g., a family of 4 would be eligible for 32 tests a month.

Visit **optumrx.com/testinfo** for the latest updates and information.

Thank you.
